

Wolcott WTP Tour & Social

To celebrate Drinking Water Week, the KS and MO AWWA Young Professionals are hosting a tour of the Wolcott Water Treatment Plant. This state of the art facility was commissioned in 2010 and utilizes microfiltration membrane technology.

Tour attendance is limited to 30 water professionals. For security purposes, **ATTENDEES MUST SUBMIT COPIES OF DRIVERS LICENSE'S WHEN THEY RSVP.** Please RSVP by **Monday, May 1st** to Ben Haecherl at bhaecherl@carollo.com

Wolcott Tour
Thursday, May 4th
4:00 p.m.

Wolcott WTP is located at 10800 Sam Clark Lane, Kansas City, KS 66109

After the tour, come network with other industry professionals at **Yard House!** The social hour is scheduled to begin at 5:15 pm, or as soon as the Wolcott tour is complete. Feel free to stop by the social even if you can't make the tour.

Yard House is located in The Legends at 1863 Village West Parkway, Kansas City, KS 66111

Drinking Water Week May 7-13, 2017

YOUR WATER
to know it is to love it
