# Drinking Water Week YP

## Treatment Plant Tour

### May 10th, 2019

What: Drinking Water Plant Tour

When: Friday, May 10th, 2019 from 2-4PM

Where: City of St. Louis Water Division's Chain of Rocks Water

Treatment Plant: 10450 Riverview Drive, St. Louis, MO 63137

**RSVP by emailing Mel Peterein at [petereinms@bv.com](mailto:petereinms@bv.com) or Matt Sainz at [msainz@cmtengr.com](mailto:msainz@cmtengr.com)**

**The plant is spread out and volunteers are needed for carpooling while on the tour at the plant. Please indicate if you are willing to carpool.**

Space on the tour is limited to the first **30** participants so please don't hesitate to sign-up!

*For more than 40 years the American Water Works Association and its members have celebrated Drinking Water Week - a unique opportunity for both water professionals and the communities they serve to join together in recognizing the vital role water plays in our daily lives. Join us in celebration with a WTP tour.*

**Please bring proper PPE : Hard hats, safety vests, safety glasses, and closed-toed shoes are required. Valid ID also required.**

Meet at the Distributive Pumping Station (first building on the left past the entrance gate) Staff will be providing directions
