

WOMEN IN WATER NETWORKING EVENT

COHOSTED BY MISSOURI AND KANSAS AWWA & WEA

Thursday June 27
5:00-7:00 pm
Repeal 18th Bar & Bristo
1825 Buchanan Street, North Kansas City, Missouri

You are invited to the 3rd meeting of Kansas City Area AWWA/WEA Women in Water. This is a joint function of Kansas and Missouri water and wastewater professional organizations, so all are welcome to join!

The purpose for this and future meetings is to provide a forum to meet, exchange information, ideas, and solutions in the water/wastewater industry. For women involved in water-related careers, this group aims to provide support to women with common career goals through networking.

This meeting was arranged by the Missouri Section AWWA diversity committee. For more information please contact Martha Silks at (816) 853-9474 or martha.silks@Lrewater.com.
