We Ho-Ho-Hope you can join us for the Missouri & Kansas Sections Member Appreciation Holiday Party. We'll supply the drinks and appetizers - just bring yourself and a guest.

It's time to reconnect in person after a long year of lockdowns and virtual fatigue! The heartbeat of our Section is our dedicated members, and we want to thank you for serving the water industry and protecting public health through a very difficult season. This event is **free** for members and their guests.
