

Call for Papers

Joint Annual Meeting of the Missouri Water Environment Association
and the Missouri Section of the American Water Works Association

March 24-27, 2024 | Margaritaville at Lake of the Ozarks, Osage Beach, MO

The Joint MWEA/MO-AWWA Program Committee is accepting submissions on ANY subject pertinent to water or wastewater but is specifically soliciting papers for the areas listed below. Presentations are expected to have a 50-min time slot or approximately 40-45 slides of content.

WASTEWATER ISSUES

- + Biological and Advanced
- + Biosolids, Residuals, and Land Application
- + Collection Systems/CSOs and SSOs
- + Disinfection
- + Green Infrastructure
- + Industrial Treatment
- + Lagoons and Small Systems
- + Nutrient Control
- + Pumping Stations
- + Stormwater
- + Wet Weather Storage

DRINKING WATER ISSUES

- + Corrosion Control in Distribution Systems
- + Disinfection/Disinfection Byproducts
- + Distribution Systems: Design, Management, Operations
- + Effective Utility Management
- + Filtration/Membrane Systems
- + Resilience Planning/Emergency Response/Security
- + Small Systems Management and Compliance
- + Source Water Protection
- + Technology Innovation for Water Operations
- + Water Quality Challenges – Source to Tap
- + Watershed Management Practices

JOINT ISSUES

- + Asset Management/Life Cycle Costs
- + Back to Basics/Fundamentals
- + Career Planning/Employee Management
- + Customer Service
- + Disinfection
- + Innovation and New Technologies
- + Instrumentation/Automation/Controls Systems
- + Laboratory Issues
- + Project Delivery/Financing/Management
- + Public Relations and Education
- + Rate Increases
- + Regulatory Issues
- + Security/Emergency Response
- + Water Resources/Water Reuse

Early submittals are appreciated, but the absolute deadline for consideration is Friday, October 27, 2023.

To submit a paper, visit <https://forms.gle/HwJEoQwwitdmKkU8>.

To submit a paper, please follow the link above. The submittal must include information/biographies for all speakers and an abstract or description of your presentation. If you have any issues completing the form or experience technical difficulties, please contact the following:

Dave Yates (MWEA) – dyates@brwnncald.com | **Jennifer Birger (MO-AWWA)** – jbirger@woodardcurran.com

2024 JAM Call for Papers Terms/Conditions

Want to improve the likelihood that your paper gets accepted?

1. Complete your submission by the deadline (Friday, October 27, 2023). The submittal must be complete with speaker information, presentation title, and abstract. Identify all presenters at the time of submission.
 2. Please ensure, to the greatest extent possible, that all presenters will be available for both days of technical presentations at the conference (Monday, March 25, 2024, and Tuesday, March 26, 2024).
 3. Think of a creative, eye-catching presentation title that is clear and concise.
 4. Carefully write your abstract or a narrative description of your presentation.
 - Abstracts should be no longer than 2,500 characters.
 5. The most current conference information is available at <https://awwa-mo.org> and <https://mwea.org>.
- When preparing your abstract, focus on clearly articulating the following:
 - o Purpose of your presentation
 - o Benefit and relevance to the water/wastewater industry
 - o Provide enough details to show 50-minutes of content
 - o Alternatives evaluated and project status
 - o Key findings and conclusions
 - o Unique aspects of your project
 - Omit any graphics or attachments – please submit text only. If a list is included, please provide a numbered list instead of a bulleted list.
